

INDEX

A

Abscess, 2-8, 2-46 to 2-47, 2-49
 periapical, 2-46 to 2-47
 periodontal, 2-49
 pulmonary, 2-8
Accident prevention program, 5-27
Accuracy, check for, prescription, 4-4
Accurate and timely recording, 11-15
Acne, 2-24
Acute bronchitis, 2-7
Acute simple gastritis, 2-11
Addison's disease, 2-32 to 2-33
Addressing envelope, 10-20
Advancement, 1-1 to 1-5
 hospital corpsman rating, the, 1-3
 requirements for advancement, 1-2 to 1-3
 scope of this training course, 1-3
 sources of information, 1-3 to 1-5
 NMPC publications, 1-4 to 1-5
 Bibliography for Advancement Study, 1-4 to 1-5
 Navy training courses, 1-5
 occupational standards, 1-4
 other NMPC publications, 1-5
 personnel advancement requirements (PAR), 1-4
 training films, 1-5
 your horizon broadens, 1-1 to 1-2
Advancement in rating, 11-8 to 11-9
Advancement in rating for patients, 11-9
Advancement Manual, 9-3
Agglutination, 7-7 to 7-8
Air conditioning, 5-4 to 5-5
Air movement, effects of, 5-5
Alcohol and drug abuse program, 15-11
Allotments, 12-6
Alveolar osteitis, 2-52
Amenorrhea, 2-39
Anatomy, dental, 2-41
Anemia, 2-17
Angina pectoris, 2-15
Appendicitis, 2-11

Appropriation categories, 12-4 to 12-5
Appropriations, 12-3 to 12-5
Arthritis, 2-18
 gonococcal, 2-18
 gouty, 2-18
Asbestos control, 5-26
Aspiration pneumonia, 2-7
Assault/rape, 2-39
Asthma, 2-7 to 2-8
At sea disposition, 13-7
Atherosclerosis (hardening of the arteries), 2-15
Atopic dermatitis, 2-23
Autopsy reports, 13-4
Awards Manual, 9-3

B

Bacilli, 7-2 to 7-3
Bad conduct discharge (DD form 259N), 11-10
Bacterial pneumonias, other, 2-7
Bacteriologic methods, 7-3 to 7-4
Bacteriology, 7-1 to 7-3
Bibliography for Advancement Study, 1-4 to 1-5
Biological defense, 6-3
Bland diets, 3-17
Blanket purchase agreement, 12-32
Blood grouping, 7-7 to 7-8
Blood program, Navy, 15-12
Breast conditions, common, 2-40
Bronchitis, 2-7
 acute, 2-7
 chronic, 2-7
Bulk custodian, 12-54
Bulkhead-to-bulkhead inventory, 12-40
Bulletin (applies only to Marine Corps issuances), 9-7
Burial clothing, 13-6
Bursitis, 2-17
Business letter, 10-13 to 10-20

C

- Calluses and corns, 2-24
- Carbohydrates, 3-2
- Caries, dental, 2-44 to 2-46
- Caskets, 13-6
- Casualty assistance calls program, 13-1
- CBR defense, medical aspects of, 6-1 to 6-8
- Cellulitis, 2-26
- Cerebrovascular accident, 2-30
- Ceremony records, 13-7
- Certificate of death (overseas), 13-6
- Chain of command, the, 8-1
- Change transmittal, 9-7
- Changes to directives, 9-7
- Changes to publications, 12-2 to 12-3
- Check for accuracy, prescription, 4-4
- Chemical defense, 6-1 to 6-3
- Cholecystitis, 2-12
- Chronic bronchitis, 2-7
- Circulatory system, diseases of the, 2-14 to 2-17
 - anemia, 2-17
 - angina pectoris, 2-15
 - atherosclerosis (hardening of the arteries), 2-15
 - congestive heart failure, 2-15 to 2-16
 - Hodgkin's disease, 2-16 to 2-17
 - hypertension, 2-16
 - leukemia, 2-17
 - lymphadenitis and lymphangitis, 2-17
 - myocardial infarction (MI), 2-15
 - rheumatic fever, 2-14
 - septicemia, 2-16
 - thrombophlebitis, 2-16
 - varicose veins, 2-16
- Civil certificates of death, 13-9 to 13-11
- Civilian Health and Medical Program of the Uniformed Services (CHAMPUS), 15-8 to 15-10
- Civilian personnel department, 15-2 to 15-5
- Classification designations, 10-25
- Classified information, 10-23 to 10-26
- Clear writing, 10-2
- Clinical laboratory, 7-1 to 7-10
 - bacteriologic methods, 7-3 to 7-4
 - Gram's stain, 7-3 to 7-4
 - Hucker's modification of Gram's stain solution, 7-3
 - principle of Gram's stain, 7-4
 - procedure for Gram's staining, 7-4
 - reading and reporting smears, 7-4
 - smears, 7-3
 - preparation of smears, 7-3

Clinical laboratory—Continued

- bacteriology, 7-1 to 7-3
 - common bacteria, 7-2 to 7-3
 - bacilli, 7-2 to 7-3
 - cocci, 7-2
- blood grouping, 7-7 to 7-8
 - agglutination, 7-7 to 7-8
 - Rh factors, 7-8
 - technique for blood grouping and typing, 7-8
- ethics in the laboratory, 7-8 to 7-10
- fungus (pi. fungi), 7-7
 - potassium hydroxide (KOH) preparation for identification of fungi, 7-7
- responsibilities in the clinical laboratory, 7-8
- serology, 7-4 to 7-7
 - monosticon slide test for infectious mononucleosis, 7-6 to 7-7
 - principle of the test, 7-6
 - procedure, 7-6 to 7-7
 - rapid plasma reagin (RPR) card test for syphilis, 7-5 to 7-6
 - equipment, 7-5
 - preliminary preparation for testing, 7-5
 - principle of the test, 7-5
 - reagents, 7-5
 - test procedure, 7-5 to 7-6
- Cocci, 7-2
- Colitis, nonspecific ulcerative, 2-12
- Commander, Naval Medical Command, 8-3 to 8-10
- Common bacteria, 7-2 to 7-3
- Communicable or contagious disease victims, transportation of remains of, 13-8
- Compact writing, 10-1 to 10-2
- Concurrent return program, 13-2
- Condolence letter, 13-3 to 13-4
- Confirmation of the casualty, 13-3
- Congestive heart failure, 2-15 to 2-16
- Conjunctivitis, 2-22
- Consciousness, levels of, 2-28
- Consent requirements for medical treatment, 14-1
- Consignment and transportation of remains, 13-7 to 13-8
- Constipation, 2-9 to 2-10
- Contact dermatitis, 2-23
- Contact interviewing, 5-21
- Contaminated material and supplies, 6-8
- Controlled substances, 12-54 to 12-55
- Contusions (black eye), 2-21 to 2-22
- Corneal abrasions, 2-21
- Correspondence management, 10-21 to 10-22

Correspondence Manual, 9-3 to 9-4
Costochondritis (Tietze's syndrome), 2-17
Count documents, 12-42
Cremated remains, transportation of, 13-8
Cremation, 13-7
Current decedent affairs program, 13-1
Custody and maintenance of patient records, 15-10
Cystitis, 2-13
Cysts and abscesses of the Bartholin's gland, 2-38

D

Day-to-day personnel reporting, 11-1
Death certificates for shipment of remains, 13-12
Decedent affairs program, 13-1 to 13-14
 at sea disposition, 13-7
 ceremony records, 13-7
 putrified remains, 13-7
 autopsy reports, 13-4
 casualty assistance calls program, 13-1
 civil certificates of death, 13-9 to 13-11
 concurrent return program, 13-2
 consignment and transportation of remains, 13-7 to 13-8
 authorized methods of transportation within the United States, 13-7 to 13-8
 chartered air taxi, 13-7
 commercial air, 13-7
 funeral coach, 13-7 to 13-8
 government air, 13-7
 authorized transportation to or from CONUS, 13-8
 consignment, 13-7
 outside CONUS destinations, 13-8
 transportation of cremated remains, 13-8
 transportation of remains of communicable or contagious disease victims, 13-8
 cremation, 13-7
 current decedent affairs program, 13-1
 disposition of personal effects, 13-9
 distribution of copies, 13-11 to 13-12
 death certificates for shipment of remains, 13-12
 outside CONUS deaths, 13-12
 within CONUS deaths, 13-11
 eligibility for decedent affairs, 13-2
 escorts, 13-8 to 13-9
 duties of the escort, 13-9
 inside CONUS escorts, 13-8

Decedent affairs program—Continued
 escorts—Continued
 outside CONUS escorts, 13-9
 selection of escorts, 13-9
 special escorts, 13-9
 graves registration program, 13-2
 group interments, 13-14
 national cemeteries, 13-13 to 13-14
 honors, 13-14
 scheduling, 13-14
 types of national cemeteries, 13-13 to 13-14
 vaults, 13-14
 viewing remains, 13-14
 Naval plots and cemeteries, 13-14
 notification of death, 13-2 to 13-3
 method of reporting casualties, 13-3
 action addressees on personnel casualty reports, 13-3
 information addressees on personnel casualty reports, 13-3
 personnel casualty report, 13-2 to 13-3
 notification of next of kin, 13-3 to 13-4
 condolence letter, 13-3 to 13-4
 confirmation of the casualty, 13-3
 payments and collections, 13-12 to 13-13
 headstones and markers, 13-13
 memorial service for nonrecoverable remains, 13-12 to 13-13
 primary expenses, 13-12
 secondary (interment) expenses, 13-12
 transportation expenses, 13-12
 preparing and processing remains, 13-5 to 13-6
 burial clothing 13-6
 caskets, 13-6
 certificate of death (overseas), 13-6
 initial remains, 13-5
 inspection of remains, 13-6
 overseas facilities, 13-6
 placement of remains in casket or transfer case, 13-6
 procedures for reimbursement, 13-13
 government services not utilized outside CONUS, 13-13
 government services not utilized within CONUS, 13-13
 government services utilized, 13-13
 procuring mortuary services, 13-5
 permitted services, 13-5
 reporting expenses, 13-13
 return of remains program, 13-2

- Decedent affairs program—Continued
 - search, recovery, and identification, 13-4
 - identification, 13-4 to 13-5
 - identification problems, 13-5
 - search and recovery, 13-4
 - Decompression sickness, 2-9
 - Decontamination, 6-1 to 6-3, 6-5, 6-7 to 6-8
 - biological, 6-5
 - chemical, 6-1 to 6-3
 - radiological, 6-7 to 6-8
 - Decontamination stations, 6-6 to 6-7
 - Defense Enrollment Eligibility Reporting System (DEERS), 15-6 to 15-8
 - Delegation of authority, 8-1
 - Delivery of a patient under warrant of arrest, 14-4 to 14-5
 - Dendritic ulcer, 2-22
 - Dental care, 2-40 to 2-53
 - Dental fundamentals, 2-40 to 2-41
 - Dental records and forms, 2-53 to 2-57
 - Department of Defense, 8-1
 - Department of Defense Information Security Program Regulation (DODISPR), the, 9-3
 - Department of Defense Military Pay and Allowance Entitlements Manual (DODPM), 9-2 to 9-3
 - Department of Defense reports and forms, 9-8
 - Department of the Navy Standard Subject Identification Codes, 9-4
 - Dermatitis, atopic, 2-23
 - Dermatological conditions, 2-23 to 2-28
 - acne, 2-24
 - atopic dermatitis, 2-23
 - calluses and corns, 2-24
 - cellulitis, 2-26
 - contact dermatitis, 2-23
 - folliculitis, 2-26
 - furuncles and carbuncles, 2-26
 - herpes simplex (HSV) type 1 and 2, 2-25
 - herpes zoster, 2-25
 - impetigo, 2-26
 - pediculosis capitis, 2-27
 - pediculosis corporis, 2-28
 - pediculosis pubis, 2-28
 - psoriasis, 2-23 to 2-24
 - scabies, 2-27
 - seborrheic dermatitis, 2-24
 - tinea capitis, 2-26
 - tinea corporis, 2-27
 - tinea cruris, 2-27
 - tinea pedis, 2-27
 - tinea versicolor, 2-27
 - urticaria (hives), 2-24
 - verrucae, 2-25 to 2-26
 - Diabetes insipidus, 2-32
 - Diabetes mellitus, 2-31 to 2-32
 - Diarrhea, 2-9
 - Diary message reporting system submissions, preparation of, 11-2 to 11-3
 - Diet therapy, 3-1 to 3-19
 - diets, 3-4 to 3-18
 - modified or therapeutic diets, 3-6 to 3-18
 - bland diets, 3-17
 - high calorie, 3-6
 - high protein, 3-6 to 3-7
 - high residue, 3-11 to 3-12
 - liquid, 3-6
 - low calorie, 3-8 to 3-10
 - low carbohydrate, high protein diet, 3-17 to 3-18
 - low protein, 3-10
 - low residue, 3-12 to 3-14
 - low sodium, 3-14 to 3-17
 - soft, 3-6
 - objectives of diet therapy, 3-4
 - regular diet, 3-6
 - food classification, 3-1 to 3-4
 - carbohydrates, 3-2
 - fats, 3-1 to 3-2
 - minerals, 3-2
 - proteins, 3-1
 - vitamins, 3-2 to 3-4
 - water, 3-4
 - guide to good eating, 3-4
 - Directives Issuance System, the Navy, 9-5 to 9-7
 - Discharge under other than honorable conditions (DD form 794N), 11-10
 - Dishonorable discharge (DD form 260N), 11-10
 - Disorders of the ear, nose, and throat, 2-18 to 2-21
 - Duration of consent, 14-2
 - Duty assignment within the activity, 11-15
 - Dysmenorrhea, 2-38 to 2-39
- E**
- Ear, conditions of the, 2-18 to 2-20
 - EDVR and ODCR verification, 11-3
 - Effective office routine, 11-15
 - Eligibility for decedent affairs, 13-2
 - Emergency medical care, 14-10
 - Endocrine disorders, 2-31 to 2-33
 - Addison's disease, 2-32 to 2-33
 - diabetes insipidus, 2-32
 - diabetes mellitus, 2-31 to 2-32
 - hyperthyroidism, 2-32

Endorsement, 10-11 to 10-13
 Enlisted distribution and verification report, 11-3
 Enlisted personnel management center, 11-1 to 11-2
 Enlisted service record, 11-5 to 11-7
 Enlisted Transfer Manual (TRANSMAN), 9-3
 Enteritis, regional, 2-11
 Epididymitis, 2-13 to 2-14
 Epilepsy, 2-29 to 2-30
 Escorts, 13-8 to 13-9
 Ethics in the laboratory, 7-8 to 7-10
 Extension of enlistment, 11-9
 Eyewear prescription, 4-5 to 4-7

F

Fats, 3-1 to 3-2
 Federal catalog system (FCS), 12-6 to 12-10
 Federal supply catalog, 12-8 to 12-10
 Family advocacy program, 14-9 to 14-10, 15-11
 Female conditions, commonly encountered, 2-36 to 2-40
 amenorrhea, 2-39
 common breast conditions, 2-40
 cysts and abscesses of the Bartholin's gland, 2-38
 dysmenorrhea, 2-38 to 2-39
 emergency conditions in pregnancy, 2-39
 pregnancy, 2-39
 premenstrual tension syndrome, 2-38
 sexual assault/rape, 2-39
 vaginitis, 2-36 to 2-37
 vulvitis, 2-37
 Fibrinous pleurisy, 2-8
 Files, prescription, 4-5
 Floaters, 2-23
 FMF dental support, 8-11
 FMF medical support, 8-10 to 8-11
 Folliculitis, 2-26
 Food and water, protection of, 6-4 to 6-5
 Food classification, 3-1 to 3-4
 Food service personnel, 5-12
 Food service sanitation, 5-5 to 5-16
 Foreign bodies, ocular, 2-21
 Forms of consent, 14-2
 Fractured teeth, 2-52 to 2-53
 Freedom of Information Act, 14-3
 Funds, 12-5 to 12-6
 Fungus (pl. fungi), 7-7
 Furuncles and carbuncles, 2-26

G

Gastritis, acute simple, 2-11
 Gastrointestinal (GI) tract, diseases of the, 2-9 to 2-13
 acute simple gastritis, 2-11
 appendicitis, 2-11
 cholecystitis, 2-12
 constipation, 2-9 to 2-10
 diarrhea, 2-9
 hemorrhoids, 2-12
 hepatitis, 2-12
 hiatal hernia, 2-10
 inguinal hernia, 2-11 to 2-12
 nausea and vomiting, 2-10
 nonspecific ulcerative colitis, 2-12
 pancreatitis, 2-12 to 2-13
 peptic ulcer, 2-10 to 2-11
 psychological GI disorders, 2-10
 pyrosis, 2-9
 regional enteritis, 2-11
 upper GI hemorrhage, 2-10
 General discharge (DD form 257N), 11-10
 General regulatory publications, 9-1
 Genitourinary (GU) tract, diseases of the, 2-13 to 2-14
 cystitis, 2-13
 epididymitis, 2-13 to 2-14
 genitourinary trauma, 2-14
 prostatitis, 2-13
 pyelonephritis, 2-13
 renal calculi, 2-14
 testicular torsion, 2-14
 uremia, 2-14
 Genitourinary trauma, 2-14
 Glaucoma, acute, 2-21
 Gonococcal arthritis, 2-18
 Gouty arthritis, 2-18
 Gram's stain, 7-3 to 7-4
 Graves registration program, 13-2
 Group interments, 13-14
 Group protection, 6-4
 Guide to good eating, 3-4

H

Halogenated hydrocarbons (halocarbons), 5-26
 Head injuries, 2-31
 Headache, 2-28
 Headstones and markers, 13-13
 Health care administration, 15-1 to 15-12
 alcohol and drug abuse program, 15-11
 civilian personnel department, 15-1 to 15-2

Health care administration—Continued

- command patient contact representative program, 15-11
- custody and maintenance of patient records, 15-10
- family advocacy program, 15-11
- manpower management department, 15-1
- Navy blood program, 15-12
- Navy medicine's quality assurance/risk management program, 15-10 to 15-11
- patient administration department, 15-2 to 15-5
 - medical information services division, 15-4
 - chart control branch, 15-4
 - coding and analysis branch, 15-4
 - inpatient data systems, branch, 15-4
 - medical archives branch, 15-4
 - tumor registry branch, 15-4
 - medical records processing division, 15-4
 - medical board branch, 15-4
 - word processing branch, 15-4
- outpatient administration division, 15-4 to 15-5
 - active duty health records branch, 15-5
 - central appointment branch, 15-5
 - health benefits advisory branch, 15-5
 - outpatient registration branch, 15-5
 - patient contact point management branch, 15-5
- patient personnel services division, 15-3 to 15-4
 - decendent affairs branch, 15-3
 - medical correspondence branch, 15-3 to 15-4
 - temporary disability retirement list branch, 15-3
 - third party liability branch, 15-3
- registrar division, 15-2 to 15-3
 - admission branch, 15-2 to 15-3
 - medical evacuation and transfer branch, 15-3
 - medical holding company branch, 15-3
 - military health records branch, 15-2
 - reception and information branch, 15-3

Health care administration—Continued

- patient eligibility for hospitalization and nonfederal care, 15-5 to 15-10
- Civilian Health and Medical Program of the Uniformed Services (CHAMPUS), 15-8 to 15-10
 - appeal, 15-10
 - assignment, 15-9
 - claims processing, 15-9
 - cost-share, 15-9
 - eligibility, 15-8
 - extent of care, 15-8
 - where to get care, 15-8 to 15-9
- Defense Enrollment Eligibility Reporting System (DEERS), 15-6 to 15-8
 - direct care system procedures, 15-6 to 15-8
 - future of DEERS, 15-8
 - summary, 15-8
- weight control and physical fitness, 15-11 to 15-12

Health record, 11-7

Hearing conservation program, 5-27

Heat stress program, 5-27

Heating, ventilation, and air conditioning, 5-2 to 5-5

Hemorrhoids, 2-12

Hepatitis, 2-12

Herniated disk, 2-31

Herpes simplex (HSV) type 1 and 2, 2-25

Herpes zoster, 2-25

Hiatal hernia, 2-10

High calorie diet, 3-6

High protein diet, 3-6 to 3-7

High residue diet, 3-11 to 3-12

Histology, dental, 2-41 to 2-42

History, medical, 2-2 to 2-4

Hodgkin's disease, 2-16 to 2-17

Honorable discharge (DD form 256N), 11-9 to 11-10

Honors, 13-14

Hordeolum, 2-22

Hospital Corpsman rating, the, 1-3

How findings are documented, 14-10

Hucker's modification of Gram's stain solution, 7-3

Human relations, 11-16

Hypertension, 2-16

Hyperthyroidism, 2-32

I

Identification problems, 13-5

Immediate reenlistments, 11-11 to 11-12

- Immunizations, 5-24
- Impetigo, 2-26
- Imprest fund, 12-32
- Incident reports, 14-2 to 14-3
- Individual protection, 6-3 to 6-4
- Informed consent, 14-1
- Inguinal hernia, 2-11 to 2-12
- Initial remains, 13-5
- Inside CONUS escorts, 13-8
- Inspection, 5-6 to 5-9
 - butter, cheese, and eggs, 5-9
 - canned goods, 5-8
 - dry food items, 5-8 to 5-9
 - fish and shellfish, 5-8
 - fruits and vegetables, 5-8
 - meats, 5-7
- Inspection of remains, 13-6
- Instruction, 9-6
- Intervening authority, 14-10
- Inventory board, 12-54 to 12-55
- Inventory management, 12-17 to 12-40
- Inventory personnel, 12-42
- Iritis, 2-22 to 2-23

J

- Joint directive, 9-7
- Joint letter, 10-8

L

- Labeling, prescription, 4-4 to 4-5
- Lacerations, ocular, 2-22
- Law enforcement personnel and medical conditions, 14-4 to 14-6
- Leave and liberty, 11-7
- Legal implications in medical care, 14-1 to 14-12
 - consent requirements for medical treatment, 14-1
 - duration of consent, 14-2
 - emergency situations, 14-1 to 14-2
 - forms of consent, 14-2
 - informed consent, 14-1
 - who may consent, 14-2
 - witnesses to consent, 14-2
- Family Advocacy Program, 14-9 to 14-10
 - emergency medical care, 14-10
 - intervening authority, 14-10
 - policies and responsibilities, 14-9
 - removal from dangerous situation, 14-10

- Legal implications in medical care—Continued
 - incident reports, 14-2 to 14-3
 - line of duty and misconduct, 14-10 to 14-15
 - effect of an approved finding of misconduct, 14-11
 - how findings are documented, 14-10
 - relationship between misconduct and line of duty, 14-11
 - medical conditions and law enforcement personnel, 14-4 to 14-6

 discharge under other than honorable conditions (DD form 794N), 11-10
 dishonorable discharge (DD form 260N), 11-10
 general discharge (DD form 257 N), 11-10
 honorable discharge (DD form 256N), 11-9 to 11-10
 immediate reenlistments, 11-11 to 11-12
 separation procedures, 11-10 to 11-11
 service record, the, 11-4 to 11-7
 enlisted service record, 11-5 to 11-7
 officer service record, 11-4 to 11-5
 security and custody of the service record, 11-7
 submission of DMRS messages, 11-3
 transfer and receipt of personnel, 11-12 to 11-15
 duty assignment within the activity, 11-15
 receipt of personnel, 11-14
 service record entries, 11-14 to 11-15
 transfer of enlisted personnel, 11-14
 orders for hospitalization, 11-14
 transfer of officer personnel, 11-13
 types of orders, 11-12 to 11-13
 use and maintenance of reference material, 11-1
 Pharynx, conditions of the, 2-20 to 2-21
 Physical examination, 2-4 to 2-6
 Physical examination of the female genitalia, 2-34 to 2-36
 Physical fitness and weight control, 15-11 to 15-12
 Physical inventory, 12-40 to 12-41
 Placement of remains in casket or transfer case, 13-6
 Plant property, 12-55 to 12-56
 Pleurisy, fibrinous, 2-8
 Pneumococcal pneumonia, 2-6 to 2-7
 Pneumonia, 2-6 to 2-7
 aspiration, 2-7
 other bacterial, 2-7
 pneumococcal, 2-6 to 2-7
 primary atypical, 2-7
 Pneumothorax, 2-8
 spontaneous, 2-8
 traumatic, 2-8
 Posting, 12-47 to 12-54
 Postoperative hemorrhage, 2-51 to 2-52
 Potassium hydroxide (KOH) preparation for identification of fungi, 7-7
 Pregnancy, 2-39
 emergency conditions in, 2-39
 Premenstrual tension syndrome, 2-38
 Preparing and processing remains, 13-5 to 13-6
 Prescriptions, 4-1 to 4-7
 eyewear prescription, 4-5 to 4-7
 filling the prescription, 4-3 to 4-5
 check for accuracy, 4-4
 prescription labeling, 4-4 to 4-5
 verification, 4-3
 prescription files, 4-5
 prescription, the, 4-1

Prescriptions—Continued

- where and why prescriptions go wrong, 4-5
- who may write a prescription, 4-1 to 4-3

Preventive medicine, 5-1 to 5-28

- food service sanitation, 5-5 to 5-16
- food service personnel, 5-12
- inspection, 5-6 to 5-9
 - butter, cheese, and eggs, 5-9
 - canned goods, 5-8
 - dry food items, 5-8 to 5-9
 - fish and shellfish, 5-8
 - fruits and vegetables, 5-8
 - meats, 5-7
 - responsibilities, 5-6 to 5-7
- procurement, 5-5 to 5-6
- responsibilities, 5-5
- sanitary precautions for preparing and serving food, 5-12 to 5-13
 - frozen foods, 5-12 to 5-13
 - other foods, 5-13
 - pastries, 5-13
 - sandwiches, 5-13
- standards and sanitation of food service equipment and utensils, 5-14
 - dishwashing, 5-14
 - in the field dishwashing, 5-14
- standards and sanitation of food service facilities, 5-15 to 5-16
 - report of inspection, 5-15 to 5-16
- storage, 5-9 to 5-11
 - fresh and frozen food items, 5-10
 - ice cream and ice cream mixes, 5-11
 - milk and milk products, 5-10 to 5-11
 - semiperishable food items, 5-9 to 5-10
- heating, ventilation, and air conditioning, 5-2 to 5-5
 - additional considerations aboard ship, 5-5
 - effects of air movement, 5-5
 - air conditioning, 5-4 to 5-5
 - definitions, 5-2 to 5-3
 - heating, 5-3 to 5-4
 - stress and strain, 5-2
 - ventilation, 5-4
- immunizations, 5-24
- quarantine regulations, 5-24 to 5-25

Preventive medicine—Continued

- safety and industrial health, 5-25 to 5-28
 - accident prevention program, 5-27
 - asbestos control, 5-26
 - halogenated hydrocarbons (halocarbons), 5-26
 - hearing conservation program, 5-27
 - heat stress program, 5-27
 - metals and other materials, 5-25 to 5-26
 - Otto fuel II, 5-27
- sanitation of living spaces, 5-1 to 5-2
 - sanitation measures, 5-1 to 5-2
- sexually transmitted disease program, 5-20 to 5-22
 - effective STD programs, 5-20 to 5-22
 - contact interviewing, 5-21
 - contact tracing, 5-22
 - education, 5-20 to 5-21
 - responsibilities, 5-20
- tuberculosis control program, 5-22 to 5-24
 - case finding, 5-22
 - patient disposition, 5-22 to 5-24
- waste treatment and disposal, 5-16 to 5-20
 - afloat, 5-16 to 5-18
 - inspection of MSDS, 5-18
 - MSD systems, 5-18
 - medical department responsibilities, 5-19 to 5-20
 - personal hygiene, sanitation, and safety, 5-19
 - sewage transfer, 5-18 to 5-19
 - waste disposal in the field, 5-20
- Primary atypical pneumonia, 2-7
- Prisoner patients, 14-5
- Privacy act, 14-3 to 14-4
- Probable cause search and seizure, 14-6 to 14-9
- Probable cause search of civilians, 14-9
- Procedures for reimbursement, 13-13
- Procurement, 12-10 to 12-32
- Promotion of officers, 11-8
- Property surveys, 12-55
- Prostatitis, 2-13
- Proteins, 3-1
- Psoriasis, 2-23 to 2-24
- Psychiatric disorders, 2-31
- Psychologic GI disorders, 2-10
- Publication-type directive, 9-7
- Pulmonary abscess, 2-8
- Pulmonary edema, 2-9
- Pulmonary embolism, 2-8 to 2-9
- Pulpitis, acute, 2-46

Purchase, 12-28 to 12-32
Putrified remains, 13-7
Pyelonephritis, 2-13
Pyrosis, 2-9

Q

Quarantine regulations, 5-24 to 5-25

R

Radiological defense, 6-5 to 6-8
Random sampling inventory, 12-41
Rapid plasma reagin (RPR) card test for syphilis, 7-5 to 7-6
Reading and reporting smears, 7-4
Receipt of personnel, 11-14
Reconciliation of count documents and stock records, 12-43 to 12-44
Records retirement, 9-8
Reference material, use and maintenance, 11-1
Registrar division, 15-2 to 15-3
Regular diet, 3-6
Relationship between misconduct and line of duty, 14-11
Release of medical information, 14-3 to 14-4
Remains, inspection of, 13-6
Removal from dangerous situation, 14-10
Renal calculi, 2-14
Reporting requirements, Naval, 9-8
Requirements for advancement, 1-2 to 1-3
Requisition file maintenance, 12-35 to 12-36
Requisition system document (manual), DD 1348, 12-14 to 12-21
Requisitioning, 12-10 to 12-12
Respiratory tract, diseases of, 2-6 to 2-9
 acute bronchitis, 2-7
 aspiration pneumonia, 2-7
 asthma, 2-7 to 2-8
 chronic bronchitis, 2-7
 decompression sickness, 2-9
 fibrinous pleurisy, 2-8
 other bacterial pneumonias, 2-7
 pneumococcal pneumonia, 2-6 to 2-7
 primary atypical pneumonia, 2-7
 pulmonary abscess, 2-8
 pulmonary edema, 2-9
 pulmonary embolism, 2-8 to 2-9
 spontaneous pneumothorax, 2-8
 traumatic pneumothorax, 2-8
 upper respiratory infection (URI), 2-6
Responsibilities in the clinical laboratory, 7-8
Retinal detachment, 2-23

Revolting funds, 12-5 to 12-6
Rh factors, 7-8
Rheumatic fever, 2-14

S

Safety and industrial health, 5-25 to 5-28
Sanitary precautions for preparing and serving food, 5-12 to 5-13
Sanitation of living spaces, 5-1 to 5-2
Scabies, 2-27
Scope of this training course, 1-3
Search, recovery, and identification, 13-4
Seborrheic dermatitis, 2-24
Secondary (interment) expenses, 13-12
Security and custody of the service record, 11-7
Security, storeroom, 12-37
Self-protection and treatment, 6-1
Separation of enlisted personnel, 11-9 to 11-12
Separation procedures, 11-10 to 11-11
Septicemia, 2-16
Serology, 7-4 to 7-7
Service record entries, 11-14 to 11-15
Service record, the, 11-4 to 11-7
Sewage transfer, 5-18 to 5-19
Sexual assault/rape, 2-39, 14-5 to 14-6
Sexually transmitted disease program, 5-20 to 5-22
SIM, 12-40
Smears, 7-3
Soft diet, 3-6
Sources of supply, 12-34 to 12-35
 overseas, 12-34 to 12-35
 within the United States, 12-34
Special commodity inventory, 12-40
Special escorts, 13-9
Special material inventory, 12-40 to 12-41
Special stowage of items, 12-36
Speedletter, 10-13
Spontaneous pneumothorax, 2-8
Spot inventory, 12-41
Standard letter, 10-2 to 10-7
Standard Navy Distribution List (SNDL), 9-4 to 9-5
Standard Organization and Regulations of the U.S. Navy, 9-2
Standard subject identification codes, 10-22 to 10-23
Standards and sanitation of food service equipment and utensils, 5-14
Standards and sanitation of food service facilities, 5-15 to 5-16
Status of appropriations, 12-4

STD programs, effective, 5-20 to 5-22
 Stock points, 12-32 to 12-34
 Stock record cards, 12-44 to 12-54
 Stomatitis and recurrent labial herpes, 2-50 to 2-51
 Storage, food, 5-9 to 5-11
 Storerooms, 12-36 to 12-37
 Stress and strain, 5-2
 Subarachnoid hemorrhage, 2-30
 Submission of DMRS messages, 11-3
 Substance abuse prevention and control, 14-6 to 14-9
 Supplies, decontamination, 6-3
 Supply status, 12-35 to 12-36
 Survey of controlled substances, 12-55
 Symbols, appropriation, 12-4
 Syncope and vertigo, 2-28

T

Technique for blood grouping and typing, 7-8
 Telecommunications Users Manual, 9-4
 Tendinitis/tenosynovitis, 2-17 to 2-18
 Terminology, dental, 2-40 to 2-41
 Testicular torsion, 2-14
 Thoracic emergencies, acute, 2-6
 Thrombophlebitis, 2-16
 Tinea, 2-26 to 2-27
 capitis, 2-26
 corporis, 2-27
 cruris, 2-27
 pedis, 2-27
 versicolor, 2-27
 Tissues of the periodontium, 2-42
 Tissues of the teeth, 2-41 to 2-42
 Training films, 1-5
 Transfer and receipt of personnel, 11-12 to 11-15
 Transfer of enlisted personnel, 11-14
 Transfer of officer personnel, 11-13
 Traumatic conditions of the central nervous system (CNS), 2-30 to 2-31
 Traumatic pneumothorax, 2-8
 Traumatically extracted teeth, 2-53
 Trust funds, 12-6
 Tuberculosis control program, 5-22 to 5-24
 Types of appropriations, 12-3 to 12-4
 Types of directives, 9-6

U

Ulcerative colitis, nonspecific, 2-12
 Uniform material movement and issue priority system (UMMIPS), 12-12 to 12-13
 Uniform Regulations, 9-2
 Unit augmentation system, 8-12 to 8-13
 Upper GI hemorrhage, 2-10
 Upper respiratory infection (URI), 2-6
 Uremia, 2-14
 Urticaria (hives), 2-24
 U.S. Navy Plain Language Address Directory, 9-4
 U.S. Navy Travel Instructions (NTI), 9-4

V

Vaginitis, 2-36 to 2-37
 Varicose veins, 2-16
 Vaults, 13-14
 Velocity inventory, 12-41
 Ventilation, 5-4
 Verification, prescription, 4-3
 Verrucae, 2-25 to 2-26
 Vertigo and syncope, 2-28
 Viewing remains, 13-14
 Vitamins, 3-2 to 3-4
 Vomiting and nausea, 2-10
 Vulvitis, 2-37

W

Waste disposal in the field, 5-20
 Waste treatment and disposal, 5-16 to 5-20
 Water, 3-4
 Water and food, protection of, 6-4 to 6-5
 Weight control and physical fitness, 15-11 to 15-12
 Where and why prescriptions go wrong, 4-5
 Who may consent, 14-2
 Who may write a prescription, 4-3 to 4-5
 Witnesses to consent, 14-2
 Writing standards, Naval, 10-1 to 10-2

Y

Your horizon broadens, 1-1 to 1-2
